

FY_LJiet Question Paper Setting Instructions (T-1 TO T3)

- 1) Question Paper setting should be according to Test T1-T3 marks distribution as already provided by HOD. Total number of questions may vary faculty wise.
- 2) There should be no options in question paper.
- 3) Conceptual question should be asked. No memorization question to be asked like definition, formula, theory short notes etc. Do not ask True/False or Yes/No or Fill in the blanks types of questions.
- 4) Difficulty level of the Q Paper should be above average. Do not ask easy questions.
- 5) Range of Marks to be asked From Practice Book (PB):

For Subject except PYTHON-I/II: 15 marks question paper should be from PB, 10 marks question paper should be out of PB for each test each subject.

For Subject PYTHON-I/II: 10 marks question paper should be from PB, 06 marks question paper should be out of PB (For PYTHON-I/II Offline Test of 16 marks). 09 marks online question paper must be out of PB

If MCQ question taken from PB, if you change options and keep question as it is, then it will be considered question from PB only.

- 6) You can vary marks of the questions taken from Practice Book.
- 7) Paper setting should be such that paper is completed as per the duration. Do not set your paper such that the student completes it early within half of the time or it should not be lengthy which cannot be completed within the time.
- 8) MCQ should be of 0.5 or 1 Mark.

In T1 = 6 options

In T2 = 7 options

In T3 = 8 options

- 9) In a Question Paper, maximum 7 main question should be there. You can have any number of sub-questions. **Do not change format of question paper.**

Q-1 should be compulsory MCQ.

Case 1 : If you have MCQ's of 0.5 and 1 marks in same Q Paper then,
Keep 0.5 marks MCQ in Q1(A) and 1 marks MCQ in Q1(B)
Minimum Question in Q1A and Q1B should be greater than equal to 7

Case 2 : All MCQ's of same marks either 0.5 or 1 mark, then keep all MCQ's in Q1 compulsory.

- 10) In Question Paper, mention subject code of all branches wherever applicable. Like Maths-I is common in CL/ME, then mention subject code of both the branches.
- 11) In Question Paper heading, Test No should be correctly entered. If Test = T1, then delete 2/3/4 from heading.
- 12) Prepare 3 Sets of Question Paper. In each sets, question should be exactly same. Only reshuffle all MCQ's.
- 13) Faculty should Minimize number of pages of Question Paper. For example, font size should be 11 or 12, minimize image size with clarity, minimize formula image size, options set horizontally etc....

14) Do not save the question paper in your PC and also Don't send to any one for the prior verification.

15) Do not take print of the question paper before completion of the exam

16) Don't use any LJiet faculty name in any Question

17) Send Question paper on qp.fyall@gmail.com

18) Question paper must be as per the given format only.
