

FY_LJIET Question Paper Setting Instructions: (T4)

- 1) Question Paper setting should be according to Test T4 marks distribution as already provided by HOD. Total number of questions may vary faculty wise.
- 2) There should be no options in question paper.
- 3) Conceptual question should be asked. No memorization question to be asked like definition, formula, theory short notes etc. Do not ask True/False or Yes/No or Fill in the blanks types of questions.
- 4) Difficulty level of the Q Paper should be above average. Do not ask easy questions.
- 5) MCQ must be of 1 and/or 1.5 marks only (8 Options).
- 6) All questions except MCQ must be of 3/5/6 marks (Refer QP Format for T-4)
- 7) Range of Marks to be asked From Practice Book (PB):

For Subject except PTHON-I/II: 25 marks question paper should be from PB, 16 marks question paper should be out of PB for each subject.

For Subject PYTHON-I/II: 16 marks question paper should be from PB, 10 marks question paper should be out of PB (For PYTHON-I/II Offline Test of 26 marks). 15 marks online question paper must be out of PB

If MCQ question taken from PB, if you change options and keep question as it is, then it will be considered question from PB only.

- 8) You can vary marks of the questions taken from Practice Book.
- 9) Paper setting should be such that paper is completed as per the duration. Do not set your paper such that the student completes it early within half of the time or it should not be lengthy which cannot be completed within the time.
- 10) The marks of questions asked in T4 should be as follows:

Marks (T1/T2/T3)	Proportionate Marks (T4)
0.5	1
1	1.5
2	3
3	5
4	6

- 11) Do not change format of question paper.

Q-1 to Q-3 should be compulsory MCQ (Each of 1 marks only with 8 options) from practice book (PB) only.

Q-4 should be compulsory MCQ.

Case 1 : If you have MCQ's of 1 and 1.5 marks in same Q Paper then,

Keep 1 mark MCQ in Q4(A) and 1.5 marks MCQ in Q4(B)

Case 2 : All MCQ's of same marks either 0.5 or 1 mark, then keep all MCQ's in Q1 compulsory.

- 12) In Question Paper, mention subject code of all branches wherever applicable. Like Maths-I is common in CL/ME, then mention subject code of both the branches. Also update date and time as per exam schedule.
- 13) In Question Paper format, for the questions other than MCQs, Marks of the question mentioned as 3/5/6, if you have asked question of 3 marks then delete 5/6.
- 14) Prepare 3 Sets of Question Paper. In each sets, question should be exactly same. Only reshuffle all MCQ's.
- 15) Faculty should Minimize number of pages of Question Paper). For example, font size should be 11 or 12, minimize image size with clarity, minimize formula image size, options set horizontally etc....
- 16) **Do not save the question paper in your PC and also Don't send to any one for the prior verification.**
- 17) **Do not take print of the question paper before completion of the exam**
- 18) **Don't use any LJiet faculty name in any Question**
- 19) Send Question paper on gp.fyall@gmail.com
- 20) **Question paper must be as per the given format only.**
